Certificate No. 697   )

      Commission Regulation No. 58 requires respondent to insure the revenue vehicles operated under Certificate No. 697 for a minimum of $1.5 million in combined-single-limit liability coverage and maintain on file with the Commission at all times proof of coverage in the form of a WMATC Certificate of Insurance and Policy Endorsement (WMATC Insurance Endorsement) for each policy comprising the minimum.

      The $1.5 million primary WMATC Insurance Endorsement on file for respondent terminated on May 20, 2003. A $1.5 million replacement endorsement filed on April 24, 2003, is unacceptable for filing because the carrier name and address on the endorsement do not match the carrier name and address on file with the Commission.[1] Accordingly, Certificate No. 697 is automatically suspended pursuant to Regulation No. 58-02.
      Respondent shall have thirty days to file an acceptable replacement Endorsement or face revocation of Certificate No. 697.

      THEREFORE, IT IS ORDERED:

      1. That respondent shall not transport passengers for hire under Certificate No. 697, unless and until otherwise ordered by the Commission.

      2. That Certificate No. 697 shall be subject to revocation pursuant to Article XI, Section 10(c), of the Compact, if respondent fails to restore the full $1.5 million minimum coverage and file the necessary WMATC Insurance Endorsement(s) within thirty days.
